

## Dow Jones U.S. Select Sector Specialty Indices Consultation on Industry Classification Results

**NEW YORK, MARCH 21, 2019:** S&P Dow Jones Indices (“S&P DJI”) has conducted a consultation with members of the investment community on a potential change to the Dow Jones U.S. Select Sector Specialty Indices. S&P DJI considered switching the industry classification system used by the indices from the proprietary Dow Jones Classification System (“DJICS”) to the Global Industry Classification Standard (“GICS®”).

S&P DJI will not make any changes to the indices’ industry classification system at this time. The indices will continue to use their current industry classification system as described in the Dow Jones U.S. Select Sector Specialty Indices Methodology available [here](#).

### ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit [www.spdji.com](http://www.spdji.com).
