S&P High Yield Dividend Aristocrats Index Consultation

NEW YORK, AUGUST 13, 2019: S&P Dow Jones Indices (“S&P DJI”) is conducting a consultation with members of the investment community on potential changes to the S&P High Yield Dividend Aristocrats Index.

In order to reduce single stock concentration risk and turnover during index rebalancings, S&P DJI is considering modifying the index’s constituent weightings and deletions rules by adding an additional weightings constraint and implementing a quarterly minimum float-adjusted market capitalization (“FMC”) eligibility screen. The table below summarizes the proposed changes.

| Constituent Weightings| At each quarterly rebalancing, stocks are weighted based on indicated annual dividend yield, subject to modifications made to stock weights, if required, to reduce single stock concentration and enhance index basket liquidity, as follows:  
  - No stock can have a weight of more than 4% in the index.  
  - The minimum initial portfolios size that can be turned over in a single day (based on recent trading volumes) cannot be lower than US$ 2 billion. | At each quarterly rebalancing, stocks are weighted based on indicated annual dividend yield, subject to modifications made to stock weights, if required, to reduce single stock concentration and enhance index basket liquidity, as follows:

IMPLEMENTATION TIMING

S&P DJI is proposing to implement the previously described methodology changes, if adopted, prior to the market open on Tuesday, October 1, 2019, in conjunction with the next quarterly rebalancing.

QUESTIONS

Please answer the following questions and provide S&P DJI with the reasoning behind your answers:

1. Do you agree with the proposed change to the constituent weightings rule?
2. Do you agree with the proposed change to the deletions rule?
3. If the proposed changes are adopted, do you agree with the proposed implementation date?
4. Do you have any other comments or feedback regarding the proposed changes outlined above?

Your participation in this consultation is important as we gather information from various market participants in order to properly evaluate your views and preferences. S&P DJI will make responses to consultations freely available upon request.1 If you do not want your response to be made available, you must clearly state that in your response. Please respond to this survey by September 11, 2019. After this date, S&P DJI will no longer accept survey responses. Prior to the Index Committee’s final review, S&P DJI will consider the issues and may request clarifications from respondents as part of that review. Alternative options to the proposed questions after the deadline require that the consultation be re-opened to the public.
