S&P/BMV Indices Consultation on Trading History Requirement Results

MEXICO CITY, SEPTEMBER 3, 2019: S&P Dow Jones Indices (“S&P DJI”) has conducted a consultation with members of the investment community on potential changes to certain S&P/BMV equity indices.

In order to increase the pool of securities eligible for index inclusion while maintaining a reasonable liquidity threshold, S&P DJI considered relaxing the trading history requirement.

S&P DJI will not make any changes to the below indices, as the current trading history requirement rule is considered appropriate to maintain index investability:

- S&P/BMV FIBRAS Index
- S&P/BMV IPC Sustainable Index

S&P DJI will modify the trading history criteria to increase the pool of securities eligible for index inclusion for the following indices:

- S&P/BMV Housing Index
- S&P/BMV Economic Activity Indices
- S&P/BMV Investable Select Sector Indices

The table below summarizes the changes:
